**PETITION TO ACCEPT UNINTENTIONALLY DELAYED PRIORITY CLAIM**

Mail Stop Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

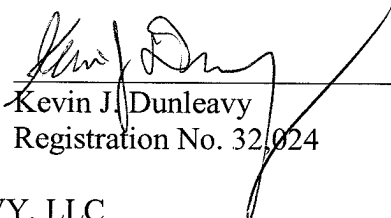

The applicant hereby requests that the United States Patent and Trademark Office accept an unintentionally delayed claim for priority under 35 U.S.C. §120 and 365(c). This petition is accompanied by a supplemental amendment to the specification to insert the reference to the prior application(s) based on the Substitute Declaration for patent application filed on October 14, 2004, and payment of the surcharge under 37 C.F.R. 1.17(t).

The entire delay between the date that the claim was due under 37 C.F.R. 1.78(a)(2) or (a)(5) and the date of filing of this claim was unintentional.

Accordingly, for the foregoing reasons, favorable consideration and entry of the accompanying supplemental amendment is requested.

Respectfully submitted,

Date: August 23, 2006
